

THE SUPPLY CHAIN is the *ONLY* Tampa Bay cover band (possibly in the entire state) that specializes in 90's alternative rock and 2000's punk pop and emo rock! With most cover bands performing either classic rock or Top40, we provide a full throttle rock show of untapped pop rock gems!

You will bang your head and throw your horns high while shaking your behind and reminiscing of songs from the 2000's that were popular music videos on MTV2, VH1 and the MUCH MUSIC cable TV channels.

Band members: Josh Rodriguez (lead vocals), Gary Schutt (guitar, piano, vocals), Johnny Deliz (bass, vocals), Jason Lawrence (drums).
